Farmington Hills, MI 48334

Dear Mr. Schafer,

We just wanted to take this opportunity to tell you that it was a pleasure to do the transaction, for the sale of our home, with you. You were very courteous and understanding at what a big decision this was for us to make.

We appreciated the way you kept us informed of things that would be taking place while we were under contract with you. You always let us know when someone was going to be coming to our property for different reasons .

Most of all we appreciate the way we were able to call and speak with you directly, about any questions we had.

Thank you again, and hope your company will be an asset to this neighborhood we are leaving, that we have been in for 37 years.

Sincerely,

James & Ann Poston
